Subject:	VII. REPORTS OF THE SUPERINTENDENT B. OPERATIONS REPORT 1. Turf Replacement				
Presenter or Contact Person:	Executive Director of Operations Josh Skains				
Policy/Code:	CH (LOCAL)				
Summary:	<p>This past summer, the District worked with CEI Engineering to extend the usability of the CHHS football field for the 2025–2026 season by adding crumb rubber infill to the existing turf. The current turf has now reached the end of its useful life and will not meet the GMAX safety testing requirements necessary for continued use.</p> <p>To address this need, the District issued a Request for Proposals (RFP) for turf replacement and received responses from five qualified vendors. After careful evaluation of the proposals, the District is recommending SprinTurf for the replacement project. The proposed cost is \$525,185.</p> <p>The project is scheduled to begin at the conclusion of the school year and will be completed during the summer to ensure the field is ready for the next athletic season.</p>
