Consider the Interlocal
Agreement with the West
Texas Public Schools
Subject: Employee Benefit Cooperative Related Page(s) _____

ACTION

BACKGROUND INFORMATION

In an effort to enhance the cost-effectiveness and quality of employee benefits, Levelland ISD seeks to join the West Texas Public Schools Employee Benefits Cooperative. The Cooperative, formed under the authority of Chapter 791 of the Texas Government Code, allows participating school districts and governmental entities to collaborate in providing competitive and comprehensive employee benefits and risk management programs. Membership in the Cooperative is governed by an Interlocal Agreement and managed by a Board of Record, consisting of representatives from each participating entity. This resolution supports the formal request for Levelland ISD to become a participant in the Cooperative and authorizes compliance with the terms and governance structure outlined by the Coop.
