Elementary Board Report Jennifer Moravetz, Elementary Principal

Monday, March 24, 2025

- As we wrapped up I Love to Read Month at the beginning of March, I want to take a moment to celebrate the amazing reading achievements of our elementary students!
- I am excited to announce that **75 students** successfully completed a blackout on their BINGO reading card! Their dedication to reading has been truly inspiring and I couldn't be prouder.
 - Kindergarten - 13 students
 - 1st Grade - 18 students
 - 2nd Grade - 11 students
 - 3rd Grade - 11 students
 - 4th Grade - 16 students
 - 5th Grade - 6 students
- On Monday, March 3rd, we hosted a fun Math Night for our elementary students and their families! With over 30 fun and interactive math activities. Students and their families had the opportunity to explore math in a hands-on and engaging way.
- I was thrilled to see over 60 elementary students participate in the math night event. Making it a fantastic evening of learning and fun focused on math concepts. Feedback from our family survey was overwhelmingly positive!
- A huge thank you to our incredible elementary math team for organizing such engaging and interactive activities for Math Night! I also extend my gratitude to the National Honor Society members who volunteered their time to assist students and families throughout the math night event. Their dedication and support made this night a great success!
- On Thursday and Friday, March 19th and 20th we welcomed representatives from Knowledge Works as they gathered insights from our elementary leadership team and 3rd-5th grade

"Inspire life-long learners. Build Character. Prepare them for their future."

PIPESTONE AREA SCHOOLS District No. 2689

students on the Portrait of a Graduate. Their input is essential in shaping the future of education and ensuring our students are prepared for success beyond the classroom and graduation.

- The end of 3rd quarter was on Thursday, March 20th. Report cards and progress reports will be sent home on March 31st.
- There was no school on Friday, March 21st. A long weekend for families to enjoy together.
- Monday, March 24th, is a Teacher Workday. Teachers will be using this time for planning, collaboration, and time to work in their classrooms to continue providing the best learning experiences for our students.
- On Monday and Tuesday, March 24th and 25th, we will be holding our third round of student focus meetings. These meetings provide a valuable opportunity to collaborate with our team to fully support our students and their needs.
