This Agreement is entered into pursuant to Minn. Stat. § 122A.414 and the Public Employment Labor Relations Act (PELRA) of 1971, as amended, Minn. Stat. § 179A.01, et seq., by and between Independent School District No. 191, Burnsville – Eagan – Savage (herein after “District”) as the public employer under the PELRA and the Burnsville Education Association (herein after “BEA”) as the exclusive representative of teachers employed by the District under the PELRA, for the purpose of fully implementing the Burnsville – Eagan – Savage Teacher Professional Pay System (known hereafter as Pro-Pay). The terms of this Agreement are as follows:

## **AUTHORITY**

**Laws:** This Agreement has been negotiated pursuant to and in compliance with the provisions of Minn. Stat. §§ 122A.414, 122A.4144 and 179A.01 et seq. The statutory authority specifically includes an exception to the PELRA in the form of an optional right to re-open negotiations regarding only the Professional Pay System.

## **BACKGROUND AND LEGAL REQUIREMENTS**

**1. Effect:** This Agreement supersedes and replaces any salary or other provision of the PELRA Master Agreement that may currently be in effect between the District and the BEA that is inconsistent with any provision of this Agreement, subject to the contingencies specified in this Article.

**2. Contingency:** Effect of Contingencies: In the event that any contingency specified in this Section is not met, then this Agreement will have no force or effect and the terms and conditions of employment of the teachers employed by the District will be governed by the PELRA Master Agreement then in effect. Provided, however, that either party may re-open negotiations for the ProPay agreement as permitted under law in an effort to cure any cause that has nullified this Agreement.

- a. **MDE Approval:** This Agreement is contingent upon the legal requirements both of timely and of continuing approval by the Minnesota Department of Education for the 2015-2016 school year and thereafter.
- b. **Ratification:** This Agreement is contingent upon its ratification by the bargaining unit represented by the BEA and by the School Board of the District.
- c. **Continuing Revenue:** This Agreement is contingent upon the initial and continuing receipt of revenue based upon at least two hundred and sixty dollars (\$260.00) per pupil as specified in M.S. 122A.415, Subd.1 (2005). In the event additional revenue is allocated by the legislature, ISD #191 and the BEA agree to reopen the MOU to negotiate allocation of the revenue only.

**Notice of Amendments:** The District and BEA agree to discuss issues related to ProPay during negotiations. In the event the District and BEA amend this Agreement, the Minnesota Department of Education must be apprised of the amendment(s). In the event that the MDE asserts that any amendment is illegal and that revenue for the ProPay will be suspended, withheld, terminated or otherwise reduced, then this Agreement may be terminated effective with the date of the MDE’s decisions regarding changes in revenue by either party giving written notice to the other party at its official business address.

**Implementation Review:** Five administrators and five BEA appointed committee members will comprise an oversight committee that meets a minimum of three times per year.

**Budget Review:** ProPay is funded by categorical revenue. The BEA President and District Superintendent or his/her designee will periodically meet and review the budget. At least one such review shall occur prior to the adoption of the budget for the upcoming year. The review shall include a review of end-of-year expenditures; staff coded to the account and any carryover monies.

**Annual Review:** The ProPay Committee will meet annually to review and evaluate the effectiveness of the plan with respect to:

- Teacher Satisfaction
- Impact on student achievement
- Impact on school culture

The results will be used to modify the plan, consistent with the Notice of Amendment section above.

- b. If the outcome of the additional observation is not satisfactory to the teacher, the instructor may meet with the Superintendent's designee to request an additional appeal. **Section 6:     Career Ladder Descriptions:** Career Ladders are career opportunities for teachers and other licensed professionals that broaden their influence on the teaching profession. Career ladder teacher performance will be reviewed on an annual basis. Teachers who are at the Emerging Professional Level in their careers are eligible to apply for Continuous Improvement Coach positions, with preference given to those who have at least 6 years of teaching experience including 2 or more in ISD191. Career Ladders present teachers with many opportunities for leadership. It is the intent of the District and BEA to encourage as many different qualified teachers as possible to assume leadership positions. Career Ladder positions in ISD #191 include the following:

Continuous Improvement Coaches (CIC) (\$3,400 stipend for full assignment, pro-rated for periods of unpaid leave). 6 TOSAs funded through ProPay plus 2 TOSA's funded through other district funds, will work with teachers to create Collaborative Team (CT) student achievement goals that align to the School Improvement Plans and assist in helping them write individual Personalized Professional Learning Plans (PLP). The role of the Continuous Improvement Coach is to help each teacher reach his/her goals through conducting observations, and providing feedback. Continuous Improvement Coaches will be decision makers regarding ProPay performance pay tied to each teacher's Professional Growth Plan. The Continuous Improvement Coaches responsibilities will include serving on the BLT of the assigned building(s). One CIC will serve as a .5 Q-Comp Coordinator with an additional stipend of \$1,600.

Employees seeking career ladder promotions will be able to complete an application for available Continuous Improvement Coach positions. A selection team consisting of 3 teachers appointed by the BEA and 3 administrators / principals will review, identify and approve a pool of qualified employees for the career promotions based on agreed upon criteria and qualifications including demonstration of cultural proficiency. If the selection team decides there are not enough qualified applicants for promotion, they may either extend the application deadline, recruit other employees or post for external candidates with a preference for teachers of color.

Continuous Improvement Coaches may return to their previous position after 3 years, if available. The request to return must be submitted by February 1<sup>st</sup>. If the previous assignment is not available, the teacher shall return to the previous department at the building from which the teacher transferred.

It is the expectation that teachers would return to teaching, either full- or part-time after serving as a Continuous Improvement Coach for a 3-5 year period of time. After completing three or more years in the position, Continuous Improvement Coaches continue to have the right to return to teaching. The District will place the returning teacher in a position for which he or she is appropriately licensed.

Continuous Improvement Coaches will work a 184 day schedule that meets the training and evaluation needs of the position.

Building Leadership Team (BLT) (\$1500 stipend, pro-rated for periods of unpaid leave) members (a proportionate and representative team of teachers & staff in each building – teachers receive a stipend from Pro-Pay) are responsible for writing, implementing, and evaluating the School Improvement Plans and the School Professional Development Plans aligned to the District Strategic Goals and the District 5 Year PD Plan. Each BLT member will facilitate the work of collaborative teams (CT). The BLT will approve the Collaborative Teams achievement goals to ensure alignment to the School Improvement Plan (which includes the ProPay building goals) and will address questions/issues regarding goal attainment. 92 BLT members will be paid through ProPay according to the following allocation. Additional BLT members will be paid through building professional development funds.

**DESCRIPTION OF PERFORMANCE INCREMENT PERFORMANCE TARGETS:**

**Probationary Teachers** are beginning to translate their content knowledge into plans for instruction. During the probationary years teachers are acquiring the materials and developing effective learning activities. Probationary teachers are exploring methods of effective classroom management and physical room arrangement to enhance learning. They are beginning to acquire confidence in their ability to establish rapport with students. They are exploring and comparing strategies for dealing with problem behaviors. They recognize the importance of clear directions and asking a variety of questions but are developing their skills in this area. Probationary teachers work hard to establish grading and record-keeping methods that comport with district requirements.

**Emerging Professionals** are gaining skills in the areas of planning, instruction and classroom management. They have established routines for organizational tasks and classroom management that are more automatic and support instruction. They are able to devote more time to instruction and providing effective feedback to students.

**Professional Teachers** demonstrate deep content and curricular knowledge. They demonstrate the ability to develop learning activities that both engage students and teach the desired content. They have a deep understanding of the scope and sequence of the curriculum. Classrooms run smoothly and professional responsibilities are understood and carried out.

**Master Professionals** understand the needs of individual students in each class and design instruction to meet those needs. Learning objectives are clearly articulated and instruction directly targets those objectives. Student learning is assessed and the results analyzed to determine re-teaching needs. Teachers utilize strategies to engage students in deep level discussion and answer higher level questions. The Master Professional contributes to the school by sharing expertise on district-wide and school-wide committees. The teacher shows professionalism in all assigned duties; whether presenting to peers, facilitating site-council, or performing hall duty.
