## Assurances

By signing below, you assure that your CTSO chapter meets the following grant application requirements:

- Your CTSO will participate in the annual State Conference.
- Your CTSO intends to start this year OR is currently an active local chapter officially registered with the state and national organization with dues paid members on record for the current school year.
- Your CTSO intends to grow student membership as measured against membership last year, or will participate in recruiting another CTSO chapter.
- Your CTSO advisor has or will participate in professional development training.
- Grant funds will not be spent on non-allowable expenditures as outlined in "Use of Funds"
  described in the application information. Your district will use these funds as described in your
  updated budget. Please describe any updates to your budget within the assurances form.
- Grant funds will not be used to supplant existing local support for your CTSO.
- Your school administration has approved your application for this CTSO local chapter grant.
- Your CTSO will submit by March 15, 2017 a grant report/metrics and successes. There will be absolutely no exceptions to this deadline.
- Your CTSO will provide at least one unique lesson plan or educational/leadership activity to the OCTESLF Lesson Plan Database for fellow CTSO advisors to utilize in improving their programs in the future.
- It is understood awarded funds will be provided on a reimbursement basis based on request from the school's business office to the EGMS Grant System (administered by the Oregon Department of Education) once funds have been expended consistent with your application and the allowable items under the grant provisions.

## CTE Learning that works for Oregon

 Your chapter agrees to participate in CTE or CTSO communications efforts regarding the implementation of the Oregon CTSO Chapter Grant program including sharing of your CTSO impact/testimonial and final grant reporting information.
