

RESOLUTION
regarding
EXTRACURRICULAR STATUS OF 4-H ORGANIZATION

Be it hereby resolved that upon this date the duly elected Board of Trustees of the Aledo Independent School District meeting in public with a quorum present and certified did adopt this resolution that recognizes Parker County Texas 4-H Organization as approved for recognition and eligible for extracurricular status consideration under 19 Texas Administrative Code, Chapter 76.1, pertaining to extracurricular activities. Participation by 4-H members under provisions of this resolution are subject to all rules and regulations set forth under the 19 Texas Administrative Code as interpreted by this Board and designated officials of this school district whose rulings shall be final.

Approved this _____ day of _____, 2011.

Dear Mr. Daniel,

The State Board of Education passed an amendment to 19 TAC§129.21 (k)(1). Requirements for Student Attendance Accounting for State Funding Purposes allows public school students to be considered "in attendance" when participating in off-campus activities with an adjunct staff member of this school district. Section 3 of the Student Attendance handbook state:

- (4-12) 1. The student is participating in an activity which is approved by the local board and is under the direction of a professional staff member of the school district or an adjunct staff member. This adjunct staff member must have a minimum of a bachelor's degree and be eligible for participation in the Teacher Retirement System of Texas.
- (4-13) Students participating in any activity which is not approved by the local school board and/or without certified district personnel supervision are counted absent [see (94-12)]. To qualify for funding purposes the certified district staff member/adjunct staff member must be accompanying the students as an official of the school district for the specific purpose of supervising the students and must be approved by the school board to supervise the activity. For example, students participating in 4-H activities which are supervised solely by a County Extension Agent are reported present.

This amendment provides local school boards the opportunity to recognize County Extension Agents as adjunct staff members and to count students participating in 4-H/Extension educational activities "in attendance for Foundation School Program purposes."

Parker County requests adjunct staff member status for the County Extension Agents for the school year 2011-2012. The following faculty are eligible for participation in the Teacher Retirement System of Texas and have a minimum of a bachelor's degree.

Kayla Neill	CEA 4-H	M.Ag.	2007	Texas A&M
Jon Green	CEA-Ag	M.Ed.	1987	Texas A&M
Kathy Smith	CEA-FCS	M.Ed.	1992	Texas A&M

I hope that Aledo Independent School District will accept this request. Please let me know if you would like to schedule an appointment to discuss the amendment and request or if you need further information. Finally, I request that a signed copy of the Resolution along with a copy of the minutes of the Board meeting be forwarded to me for my files if approved.

Sincerely,

Kayla Neill
County Extension Agent - 4-H&Youth Development
