Southern Oregon Education Service District

**RE:** SOESD 2026-27 Local Service Plan and Student Success Act  
Comprehensive Support Plan

*According to ORS 334.175(5)(b), an ESD Local Service Plan must be approved on or before March 1 by resolution of two-thirds of the component school districts that are a part of the education service district and that have at least a majority of the pupils included in the average daily membership of the education service district, as determined by the reports of such school districts for the preceding year, enrolled in the schools of the school districts. According to HB 3427 (2019), an ESD Comprehensive Support Plan must be adopted and amended as provided for local service plans under ORS 334.175*

SOESD presents the 2026-27 Local Service Plan (LSP) as a product of our collaboration with school districts to deliver services that are responsive to districts' needs, by providing flexibility in service choices, maintaining service quality and stability, and leveraging regional advantages in cost effectiveness and increased opportunities for students. The 2026-27 LSP includes the SOESD Student Success Act Comprehensive Support Plan, developed from the top priorities identified by component school districts to assist in the development and implementation of their Student Investment Account plans for implementing the Student Success Act.

SOESD takes seriously our responsibility to provide a range of high-quality services that are responsive to your needs and affordably priced. We appreciate your consideration of Southern Oregon ESD's Local Service Plan and look forward to serving you in the 2026-2027 school year.

Thank you.
