**Background Information:**

This item is for the purchase of student and staff devices through Apple Inc., utilizing Apple Education pricing. Purchases will include iPad devices with protective keyboard cases, accessories, deployment services, and four-year AppleCare+ coverage, as well as MacBook Air devices with four-year AppleCare+ coverage. These devices will support districtwide instructional delivery, digital curriculum access, assessment, and staff productivity as part of the district's technology refresh cycle.

\*Waiting on updated quote. Pricing will not change; only the expiration date will.

**Fiscal Implications:**

The total aggregate cost of the Apple Education quote will not exceed \$3,200,000, including devices, accessories, deployment services, and four-year AppleCare+ coverage. Purchases will be funded over four years through approved technology funding sources, with 0% financing and equal annual payments.

**Administrative Recommendation:**

Administration recommends that the Board approve purchases as providing the best value for the District and delegate authority to the Superintendent or his designee to finalize the purchase and execute any necessary agreements.

**Proposed Motion Language:**

*I move that the Board approve the purchase of technology devices for students and staff as presented by Administration as providing the best value for the District, and delegate authority to the Superintendent or his designee to finalize the purchase."*
