Principals' Reports: Indus Principal Report: Happy New Year to everyone! Congratulations to: Elementary Students Zoey Hansen-Davis 2nd grade and Dwain Harness 6th grade. High School Students; RayAnna Wolden Senior and Dmitriy Sarkisyan eighth grade. Winter Concert went virtual this year and successful. Thank you, Janet Holte and Soren Olesen for an outstanding job on the Concert. Fun to watch even though couldn't be in person. We had Santa join our pre-school, k-2 the last day of school. It was a hit and even had a campfire to enjoy outside. The elementary had a fun afternoon with games and a movie. High School had a fun afternoon with an outdoor campfire, games in the gym, or games in the classroom. STAR Testing started on January 4-8. Spelling Bee coming up on January 14 for each school and January 20 for our District. National Honor Society students will be assisting each school. The end of the 2nd Quarter coming up on January 22 also will be the end of the 1st semester. January 18 there will no school for staff and students.

Northome Principal Report: National Honor Society partnered with Thrivent to donate 120 pounds of food and \$210 to our local food shelf. Way to support our community National Honor Society! The building level Spelling Bee (top three spelling from grade 5 through 8) will take place on January 14th. Our district Spelling Bee will be held virtually with Indus School on January 20th. This will consist of each school's top two spellers. I want to thank Mr. Schneider and the NHS team for their help in coordinating this event. Boys and girls basketball practice has started. Boys practice is held in Northome M-F and girls are in Kelliher M-F. Games are set to begin this week. We will be following the Minnesota State High School League's requirements pertaining to COVID-19 regulations. A big thank you goes out to Matt Hanson for getting the ski trails groomed for the school and community. Many classes have been out enjoying the trails and beautiful weather. We are so lucky to be able to have this opportunity in Northome. High school teachers are working in their PLC's to integrate more

hands-on activities to increase student engagement within their lessons. Reminder that there is NO SCHOOL on Monday, January 18th. NWEA MAP testing begins next week and goes through the following week. The end of quarter 2 is January 22nd. Report cards will be going home the following week. Corey has been working hard to get the new Promethean Boards set up for teachers. We are currently working on what Homecoming and Prom might look like with the COVID 19 regulations. The Golden Apple winner this month is Kelly Larimer. She works in the kitchen and is always so positive and helpful. Especially in these crazy COVID times. Many times kids forget they brought their own lunch or go home early, whatever the issue is - Kelly is always helpful and positive. If you need an extra meal in the classroom she always gets what you need with a smile on her face. She works hard every day to make meals for our kids. We all appreciate everything she does for our entire school. 21 staff are participating in The Biggest Loser weight loss challenge through March 2nd.

Superintendent's Report: I would like to publicly welcome Mr. Doug Jourdan as a member of the ISD #363 school board. This is Doug's second time serving his community as a board member. Doug will do a great job of meeting the needs of our students, staff and community. Both schools have received their Covid-19 saliva test kits. Staff that choose to be tested can register online and will have the option to be assessed for Covid-19 twice a month. We received preliminary word today that our district will be receiving a second round of CARES Act funding. This is a rough estimate, but it looks like we will receive over \$300,000. We have our next round of negotiations with MSEA on Thursday, January 21st at 6:15PM in Northome. I will work with Dave Decker to review our current budget on Monday and Tuesday January 25th and 26th.
