Background Information

The Education Code requires board members to complete ongoing continuing education in accordance with State Board of Education (SBOE) rule.

At the last regular board meeting before an election of trustees, the board president shall announce the name of each board member who has completed the required continuing education, who has exceeded the required hours of continuing education, and who is deficient in meeting the required continuing education as of the anniversary of the date of each board member's election or appointment to the board or two-year anniversary of his or her previous training, as applicable. The announcement shall state that completing the required continuing education is a basic obligation and expectation of any board member under SBOE rule. The minutes of the last regular board meeting held before an election of trustees must reflect whether each trustee has met or is deficient in meeting the training required for the trustee as of the first anniversary of the date of the trustee's election or appointment or two-year anniversary of his or her previous training, as applicable. The president shall cause the minutes to reflect the announcement and, if the minutes reflect that a trustee is deficient in training as of the anniversary of his or her joining the board, the district shall post the minutes on the district's internet website within ten business days of the meeting and maintain the posting until the trustee meets the requirements. 19 TAC 61.1(j); Education Code 11.159(b)
