

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 4/15/2026 **Superintendent:** Dave Valenzuela

Administrator/Staff: Danny Pratt

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

We would like to provide the 'moving up' 8th grade class with a memorable and fun end of the year experience by taking them on a field trip to the WaterWorks park in Redding, California. After leaving the park we would take them to Chucky Cheese to enjoy some pizza and games.

Provide history/background information on your proposal:

This field trip has become a tradition for LBMS 8th graders. The 8th graders have been working really hard to raise the funds to make this trip happen. It would be quite rewarding for them considering the work they have put into fundraising.

List the advantages of your proposal:

A novel experience for many students, some students may have not ever been out of state. It is a doable trip in one day.

List possible disadvantages of your proposal:

Distance of traveling.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Rogue X was recommended however, it is not nearly as exciting or engaging.

Superintendent's recommendation(s): Approve: Yes No
