

Daniel Hand High School
April 12, 2025 - April 19, 2025

STEM: London & Paris

Educational Objectives

Our students will have the opportunity to engage with interactive exhibits and explore real-world applications of mathematical concepts. Additionally, the planned treasure hunts in pairs will not only foster teamwork and problem-solving skills but also encourage students to apply their mathematical knowledge in a practical and dynamic setting. This hands-on approach to learning aims to inspire a deeper appreciation for mathematics and its relevance in the world, ultimately enhancing students' enthusiasm for the subject.

Tour specifics

01

Hotel Information

The selection of the hotels is based on proximity to tour sights, comfort, quality and safety. Students are roomed in either triple or quad accommodations based on the hotel availability

Wembley International In London

01

Meal Information

Meal information

Explorica provides breakfast and dinner daily on all tours (unless otherwise indicated on the itinerary).

Explorica makes sure all travelers have the opportunity to experience local cuisine with their meals, such as crêpes in France

Tour Director

The tour director is responsible for organizing the overall logistics of the trip. He or she will be with us from the beginning of the tour until the end to oversee the arrangements for all transportation, meals, accommodations and sightseeing.

02

Communication on tour

Communication on tour

Explorica provides a Tour Diary for each group that travels. The online Tour Diary lets parents and friends see pictures of the group as they travel, so they know their children are safe, happy, learning and having fun.

03

Safety and Security

All our directors come highly recommended with at least five years of experience in the industry. In addition to their safety expertise, we provide 24/7 emergency support, and have a global presence with over 45 offices around the world.

Explorica also offers each traveler the option to purchase the Travel Protection Plan at \$16/day or \$24/day for the Travel Protection Plan Plus.

04

Liability & Insurance

We want to assure you that the safety of the tour participants is Explorica's number one priority and that we have policies and procedures in place to protect the school, school district, teachers and participants involved with this tour.

Explorica's liability insurance is one of the largest in the industry at \$50 million. This insurance coverage extends to cover certain individuals acting on behalf of Explorica as tour directors, program leaders, chaperones, and volunteer speakers.

Tour Specifics

STEM: London & Paris
April 12, 2025 - April 19, 2025

Our students will be completely engaged during this math and science focused itinerary. After experiencing the highlights of London, spend time in the Science Museum exploring topics such as genetics, environmental science and engineering. Take the Eurostar to Paris for a math-themed treasure hunt throughout the iconic city. Get even more hands-on at Europe's largest science museum, the City of Science and Industry and the Palace of Discovery, which is located in the west wing of the Grand Palais

Tour Itinerary

Day 1 Overnight Flight to England (London)

Day 2 Hello London
