Please answer the following questions about the field trip

What educational objectives does this field trip meet for your students? *

Students will be responding to St Louis Symphony Orchestra's performance of multicultural pieces and reflecting on how it has influenced the music we perform today.

How is this field trip connected with the linked to the unit are currently teaching in the classroom? *

It is connected to the unit because we are reflecting/review the composers we are performing, reviewing the history of jazz and how it has become what it is today. This performance has a variety of pieces from Duke Ellington to a premier of violin concerto of a Emmy Award winning composer.

What instructional follow-up activities will the students do upon returning from the field trip? *

Students will be having a class discussion about the performance and we will be completing a Listening Assignment based off of the performance.

How will the field trip enhance learning more than the regular classroom instruction on this topic * or lesson does?

Students will be experience the music in person verses on a recording,
