

**School Board Meeting/Workshop:**

**September 9, 2013**

**Subject:**

1<sup>st</sup> Day Enrollment

**Presenter:**

**Anita Underberg**

---

**SUGGESTED SCHOOL BOARD ACTION:**

None

**DESCRIPTION:**

The first day enrollment numbers have been reported and compared to the enrollment projections made last fall. You will notice at the elementary level, we are down in kindergarten and third grade. The reported high school numbers currently include PSEO and shared-time students such as home-schooled, etc. On average, we see a decrease of approximately 60 FTE students from the first day to October 1<sup>st</sup> at the high school. We ended last school year with 5,709 students.
