

**MEETING DATE:** April 20, 2015

**AGENDA ITEM:** Action Item - Instructional Materials TEKS Certification

**PRESENTER:** Kathy Allen

**ALIGNS TO BOARD PRIORITY:**

- Learning – The District will provide an aligned, rigorous curriculum, with instructional and technology programs preparing students to meet or exceed all educational standards.

**BACKGROUND INFORMATION:** Annually, the district superintendent along with the president and secretary of the local board of trustees must certify the following:

- Instructional materials ordered to satisfy state proclamations and purchased through EMAT (district account for instructional materials) have been approved for use in our district. All instructional materials adopted by the state are appropriate for use in Texas schools and districts may choose any materials from the state-adopted lists. Our selections are final and we may not return copies of one title to secure copies of another title (TEC31.101).
- Purchased materials will assist the district in satisfying performance standards under TEC 39.0241, TEC 39.023(a) and (c), 82<sup>nd</sup> Texas Legislature.
- Supplemental instructional materials in combination with other instructional materials cover all the elements of the essential knowledge and skills of the required curriculum, other than physical education, identified under Section 28.002 by the State Board of Education for each subject and grade level.
- The district will provide the title and publication information for any instructional materials requisitioned or purchased by the district with the district's instructional materials allotment.

**ADMINISTRATIVE CONSIDERATIONS:**

- Certify that Aledo ISD is complying with the requirements established by TEA for use of Instructional Materials Allotment funds.

**FISCAL NOTE:** Cost for Learning List subscription (online library of professional reviews for K-12 instructional materials and online courses) \$0.83 per student.

**ADMINISTRATIVE RECOMMENDATIONS:** Administration recommends the Board approves the Instructional Materials Allotment and TEKS Certification as required for the 2015-2016 school year.
