

Action Sheet

MEETING DATE: August 23, 2023

AGENDA ITEM: Discuss and consider approval of purchase of window security film

In March 2023, GISD was awarded a School Safety Standards grant in the amount of \$358,971. Every school district within the state of Texas was provided an allocation amount that is earmarked for supporting school safety during the 2022-23 state fiscal biennium. The GISD Police Department has assessed the security and safety priority needs of GISD and comprised a plan for the use of the School Safety Standards grant after working with administration across the district. As a result, the GISD Police Department is requesting the purchase of window security film in the amount of \$249,200.00 from National Glazing Solutions. The window film will be applied to buildings across the district. TIPS Purchasing Cooperative #220101, GSA Contract #47QSWA20D00C, or PCA Contract #0D-316-20 will be used for the purchase.

RECOMMENDATION: I move the Board approve the purchase of window security film in the amount of \$249,200.00 from National Glazing Solutions (NGS) School Safety Grant Funds, as presented.

Matthew Neighbors Ed. D.
