

Board of Education

ACTION

TITLE: Consider Approving the Participation in CACFP for 2025-2026

DATE: August 25, 2025

RESPONSIBLE ADMINISTRATOR: Mr. Charles Warren, Chief Financial Officer
Ms. Grace George, Director of Child Nutrition
Dr. Sarah Yancey, Supervisor of Early Childhood Education

BACKGROUND/CONSIDERATIONS:

The Special Nutrition Programs (SNP) provides reimbursement for well-balanced, nutritious meals and snacks served to individuals enrolled in the Child and Adult Care Food Program (CACFP).

In Arkansas, CACFP is administered by the Arkansas Department of Human Services, Division of Child Care and Early Childhood Education, and Special Nutrition Programs. Fort Smith School District utilizes the program for reimbursement of required snacks provided to preschool children.

RECOMMENDATION:

The Administration recommends the Board approve the participation of the District in the CACFP for the 2025-2026 school year.

If the Board agrees, the motion would read: *move to approve the District's participation in CACFP for the 2025-2026 school year.*
