

**CRAIG CITY SCHOOL DISTRICT BOARD OF EDUCATION GOALS**

1. Increase public input and involvement in school governance by involving members of the public in committee work, and increasing interest in potential school board members.
2. ~~Refine~~ **Maintain** filing system for governance documents that allows the work of the board to be recorded, archived, and used by future boards.
3. ~~Complete~~ **Maintain** the implementation of comprehensive evaluation tool for the certified staff and building principals.
4. Support organizational excellence through a defined professional development plan.
5. Establish a long-term financial stability plan outside of the budget process in recognition of the potential for significant drop in state funding.
