Dear Dr. Mutchler,

I am proud to announce that Eliza Peters, a sixth grader at Geneva Middle School North, won the Illinois Service Resource Center "How I Advocate for Others" contest. The ISRC selected one student who demonstrates the ability to advocate not only for themselves, but for others as well. Eliza submitted a short essay explaining how her fundraising project raised more than \$18,000 toward the purchase of hearing aids for students in Kane County. She won her choice of any item from Harris Communications, a company that provides equipment for the deaf and hard of hearing. I am very proud of Eliza's advocacy skills and accomplishments.

On Monday, April 22, 2013, it would be my privilege to present Eliza Peters to the Board of Education for recognition. Thank you for this opportunity.

Sincerely,

A handwritten signature in cursive script that reads "Larry Bidlack".
