Re: 2015 Financial Statements for the 2013 Bond

We would like to present the financial statements for the 2013 Bond at the Finance Committee meeting on Monday, December 7, 2015. The financial statements are attached for fiscal year June 30, 2015.

We are required by law to have an independent audit of the bond fund and an opinion letter prepared by the auditor. We are pleased to announce that the District has received an unmodified opinion, which is the highest level of assurance provided.

On Monday, December 7, 2015, Yeo and Yeo will be in attendance to discuss the financial statements in detail. Please let us know if there is any additional information that we can provide at this time.
