

CCTV System Proposal

October 1, 2012

S&S CISD
1 Ram Drive
Sadler, TX 76264

Re: CCTV System Additions and Replacement
High School Campus

Four Feathers Alarm, LLC proposes to furnish materials, labor and equipment to complete the
aforementioned proposal for the price and conditions stated below.

Twenty One Thousand Six Hundred Thirty Three and 76/100 Dollars

Total Price 21,633.76

Includes:

1. Replacement of the existing DVR located in the Principal's Office with two (2) Digital Watchdog 16 channel 480fps 2 TB DVR's with offsite viewing capability.
2. Installation of nineteen (19) interior varifocal day/night cameras with new wiring as discussed on site.
3. Installation of thirteen (13) exterior varifocal day/night cameras with new wiring as discussed on site.
4. Programming of DVR.
5. Connection of district installed monitors to DVRs (S&S CISD to provide materials).
6. Initial training session.

Considerations:

1. Cabling will be concealed where construction permits.
2. S&S CISD IT department must be available for any networking issues.
3. S&S CISD to provide lift.

Excludes:

1. Local and State Tax
2. Permits.
3. All other items not listed.

Acceptance:
