Derby Public Schools

Monthly Board Report

Technology Department

Brad Langridge, Director of Technology

Carmine D'Onofrio, Lead Technician

Chuck Joaquim, Support Technician

Achievements

- Recycled 200 pieces of NON working / Broken IT equipment.
  - Did not have to pay for removal, was paid instead   :)
- New printers from CBS have been installed at all locations.
- Created part inventory database for G6/G5 chromebooks.
- LRU Graduation
  - Created the Slide show with the provided pictured and requested music
  - Live Streamed and had the links on the web page
- DHS Graduation
  - Tested the New system to ensure proper settings.
  - Provided the music that was requested
  - Live Streamed and had the links on the web page
- Clean up over 50GB of space on our exchange server which was out of space. - continuous effort.
- Worked with HR to update all the requested Enrollment forms.

Projects

- Papercut software with settings and reports to configure.
- Projector installation to finish DHS, and work on DMS.
- Working with Erate vendors about services that we applied for to create a scope of work for installation / deployment.
- Prioritizing what work off the project list can/should be done over summer. Based on: Funding, scheduling with facilities and Vendor schedule.
- Reviewing bills to make sure unaccounted ones are getting paid, and down slip through, working to update anyones that don't have a good email or contact number.
- Viop and Pots line - continued discovery before we go out to Bid to ID all Pots lines and All requirements.
- Continuous - updating the district website to remove aged content.
- Continuous - Reviewing our current servers to resolve any issues.
