This year's theme:

## FOCUS ON IMPROVEMENT

**February 19-21, 2025**  
**Austin, Texas**  
*at the Austin Convention Center*  
**& Online**

This conference serves as a valuable reminder to prioritize the continual progress towards improvement. It urges us to make a conscious effort to exchange effective strategies and best practices that empower us as educators to reshape the educational opportunities for children.

This year's theme implores us to be deliberate in identifying our constant areas of focus, whether refining instruction to elevate student achievement or self-improvement. Having a clear focus on our student's academic growth and an unyielding belief in the possibility of improvement, we approach this Conference as an invaluable opportunity to enhance our collective capacity to make today better than yesterday and build improved tomorrows for our students and those dedicated to their service.

- Beth Wooster, 2025 Conference Planning Committee Chair

**Federal programs practitioners from around the country will convene in Austin and online for meaningful and timely professional development – you've got to be there!**

**"The keynotes were absolutely incredible.  
This conference was well organized and I can't wait to return!"**

# What is the ESEA Conference?

The National ESEA Conference is an annual project of the National Association of ESEA State Program Administrators (NAESPA) and the only conference focused entirely on federal education programs for disadvantaged students. The Conference emphasizes the critical nature of doing what's right and what's needed today - to help every child succeed and achieve at high levels.

The Elementary and Secondary Education Act (ESEA) was signed into law in 1965 by President Lyndon B. Johnson as a legislative priority of the "War on Poverty." ESEA has undergone several forms of reauthorization, which initiated and augmented educational programs designed to improve the quality of elementary and secondary education in the United States. Title I, Part A is the largest federally funded ESEA program designed to address the educational needs of underprivileged children. The following Elementary and Secondary Education Act (ESEA) and related programs serve as the cornerstone for all sessions and programming of the National ESEA Conference:

- **Title I, Part A** - Education for the Disadvantaged
- **Title I, Part C** - Education of Migratory Children
- **Title I, Part D** - Neglected & Delinquent
- **Title II, Part A** - Supporting Effective Instruction
- **Title III, Part A** - English Learners & Immigrant Education
- **Title IV, Part A** - Student Support & Academic Enrichment
- **Title IV, Part B** - 21st Century Community Learning Centers
- **Title V, Part B** - Rural Education Initiative
- **Title VI, Part A** - Indian, Native Hawaiian, and Alaska Native Education
- **Title VII, Part B** - McKinney-Vento Homeless Assistance Act, Education for Homeless Children and Youth
- **IDEA** - Individuals with Disabilities Act (Special Education)

# Welcome!

## A Dual Approach

We hope you will join us in Austin. If travel restrictions, cost, or other factors prevent you from attending the Conference in person, don't worry – you can still be a part of the action! We offer a virtual registration option allowing you to participate in live sessions, access the same great content, and interact with your colleagues from a remote location.

**"The virtual experience was amazing! The sessions were easy to attend and locate on the online platform."**

-2024 National ESEA Conference attendee

---

## Session Formats

We're pleased to offer four types of sessions, which allow both the in-person and virtual audience access to each and every session on the schedule.

**Hybrid Lecture** sessions are presented in-person in Austin, while simultaneously live-streamed to the virtual audience. Lecture sessions are recorded for later viewing by all audiences. (60 minutes)

**In-Person Workshop** sessions involve an interactive component, with the presenter(s) in-person in Austin. In-person workshop sessions are recorded for later viewing by all audiences. (60 minutes)

**Virtual Workshop** sessions involve an interactive component, with both the presenter(s) and audience participating virtually. Virtual workshop sessions are recorded for later viewing by all audiences. (60 minutes)

**Sponsored** sessions take place in-person in Austin. Presented by our commercial partners, these sessions may include references to products and services of interest to the ESEA community. Sponsored sessions follow the same formats referenced above. (60 minutes)

---

## Health and Safety

The health and safety of our attendees, presenters, and exhibitors is our highest priority. All in-person conference participants must be willing and available to adhere to any and all health and safety requirements in place at the time of the Conference as specified by the Association, Show Management, the host venue, or any governmental authority. We look forward to seeing you in Austin!
