ADDITIONAL COMMENTS: Thank you for the opportunity to re-apply for the Director position on the TASB Board representing the Houston region. We are at a pivotal moment in the history of public education in Texas, and I look forward to continuing to work together with a group of vested Texas School Board Trustees in the fight to keep Texas Public Schools strong!

Crystal Carbone is a consultant, community volunteer, and advocate for public education with a deep commitment to the Pearland community. Her career spans a range of roles, from providing mental health services to adults and adolescents to coordinating research on adolescent treatment and addiction. She previously served as a Licensed Specialist in School Psychology for Pearland ISD, where she worked closely with students and families to address mental health and educational needs. Crystal holds a dual master's degree in clinical and school psychology from the University of Houston-Clear Lake.

Crystal and her husband, [REDACTED], are lifelong residents of Pearland, where they are raising their three daughters—proud seventh-generation Pearlanders—who attend a Pearland ISD elementary school. Her passion for public education is rooted in her own experiences as a student in Texas public schools, where despite facing significant challenges, she found hope and opportunity. These experiences drive her ongoing commitment to ensuring that all students have access to the resources and support they need to succeed.

As an active leader, Crystal earned the Master Trustee designation in 2022 through the Leadership TASB program and was selected to join the board of TASB (Texas Association of School Boards) in 2024. She was named the 2021 Pearland Chamber of Commerce Citizen of the Year and is currently serving as the Secretary/Treasurer of the Gulf Coast Area Association of School Boards and as a member of the Safety and Security Committee for Pearland ISD. She is a weekly RISE mentor for students in Pearland, and she is an active volunteer on the PTA. She has previously served as a Founding Board Member of the Pearland ISD Education Foundation, Vice Chair of the Adult Reading Center, Chair of the Pearland Library Board, Vice President of the Pearland Silverlake Lions Club, and as a member of the Brazoria County Child Welfare Board.

In her spare time, Crystal enjoys reading, traveling and playing games with her girls. The Carbone family are members of New Hope Church.
