"Home of the Braves"

Dear Board Members,

I hope this message finds you in the Christmas spirit. As we approach our December board meeting, I want to highlight a few key agenda items and updates.

Meeting Details:

Our special meeting will take place next week, as we have moved the date to avoid conflict with our usual Monday schedule, which coincides with the concert—a significant event in Menahga .

Agenda Highlights:

1. Truth and Taxation Presentation - We will have Heidi and I presenting this crucial topic.
2. Funds transfer to cover the community education deficit, this was discussed at our last meeting the audit notes this.
3. Audit Approval - We need to approve the audit results.
4. MREA Board Member Election - We will vote for an MREA board member, with our own Julia Kicker running for the position.

Given the packed agenda, I encourage you to reach out via phone if you have any questions or need clarification on any items before the meeting. I want to ensure everyone is well-prepared.

Additionally, I would like to propose planning a work session focused on flexible learning for late January, after the MSBA school board conference. This will give us a chance to explore this important initiative in depth.

Thank you for your dedication and involvement. I look forward to our discussions and to making important decisions for our district.

Best regards,

Jay Kjos
Superintendent
