BOARD REPORT

AUG
2025

Look What We Learned

THEME: BACK TO SCHOOL ROUTINES AND PROCEDURES

All students have been excited about the building and learning routines and procedures. Our grade K-2 class has been excited to ride the big bus and go to the big school! They all have a locker on their end of the building.

MARSHMALLOW TOWERS AND SCHOOL

During Math, our grade 3-6 class created marshmallow towers for STEM activity and revisited long division.

Our grades K-2 went to specials and all received their ipads.

WATERBALLOON FIGHTS

Having a blast and getting back to having fun with our classmates.

What's New

WE LOVE SCHOOL

The students love recess and tablet time. They are already talking about Halloween!

Reminders

September 30th is the Noon Board Meeting at Babb. We want to invite our parents to join us for a special presentation.

Upcoming
