Background Information:

In preparation for the new school, we bid out musical instruments that our band and choir directors decided we would need. We received bids from four companies and we have \$56,000 available for the purchase.

Administrative Consideration:

The attached bid tabulation has boxes around the low bids for each of the items. The total of the purchase from the low bidders is \$56,989 which is just slightly over the amount we had projected.

Administrative Recommendation:

We recommend awarding the bid as indicated by the boxes on the bid tabulation which totals \$35,572 to Tarpley Music, \$9,420 to The Woodwind & Brasswind, and \$11,997 to Amarillo Piano and Education.
