Subject: Request for Qualifications - Energy Savings Performance Services for BPS

Description: After McKinstry did the walk-through with Reid Reagan districtwide, and they also visited with Kyle Coursey on our Boiler systems. McKinstry recognized the need to have an RFQ from the actual energy service company to perform an Investment Grade Audit.

We would like permission to send the RFQ to three companies McKinstry, Amoresko and Johnson & Controls which is faster and from that we will then be able to move forward on decisions regarding savings for our district.
