Re: Energy Conservation Campus of the Month

---

Inspections are conducted on a daily/weekly basis in an effort to minimize energy loss throughout the district. An energy saving initiative has been established with a month to month comparison of energy conserved from the fiscal year of 2016-2017 vs the fiscal year of 2017-2018 for the highest percentage rating on energy conserved.

**Graves Elementary** showed the highest energy conservation savings for the month of November. Thanks to the routines and procedures from **Graves Elementary**, they have displayed an outstanding job performance that has earned them a 15% overall savings. We congratulate Mrs. Veronica Soto-Gonzalez and her staff for a job well done.

**"Together we can all make a difference in our Community".**

Thank You: Armando Zertuche.
