Re: Chartwells

The Child Nutrition Dept. is fully staffed. We are working on getting the electric and the plumbing all installed so that we can start getting the new equipment installed. We have been doing some Discovery Kitchen and Mood Boost Pop ups with the kids to get them excited about eating in the Cafeteria. We are currently feeding the football team for away and home games. I met with the SHAC committee on the 9/9/24 to go over and get ideas for the new menu and we are looking forward to getting the 5th line at the High school open and running...
