

"Every Student, Every Day"

Memorandum

Date: October 8, 2018

To: Board of Directors of the Pendleton School District 16R

From: Chris Fritsch, Superintendent
Prepared by Michelle Jones, Director of Business Services

Subject: Policy EFA Local Wellness Program

Background: Policy EFA Local Wellness Program revised/readopted December 14, 2015. In an effort to combat childhood obesity and promote health living, Congress amended the National School Lunch Act and the Child Nutrition and WIC Reauthorization Act of 2004 and further strengthened the Healthy, Hunger-Free Kids Act of 2010 to require school districts to adopt local wellness policy.

Proposal: The revised Policy EFA Local Wellness Program defines the requirements of the district around wellness policy implementation, monitoring and community engagement/notification. The policy also defines the district requirements around nutrition and physical activity. Administrative rules have been created for this policy, which provide the guidelines for implementation and monitoring.

Recommendation: Staff recommends Policy EFA Local Wellness Program be approved.

Motion: I move that Policy EFA Local Wellness Program be approved as presented.
