Following Policy 10CR-005 Naming of School District Facilities

It is the desire of the Board of Education of Davis School District (Board) that each school or other facility within the District is given a name that lends dignity and status to the school or facility. The Board also desires to protect students, parents, teachers, and school administrators from over-commercialization and restrictions or requirements that are coercive, distracting, or disruptive to the educational process.

## Round 1 Input

January 12-21, 2026

Parents and students designated as living in the new school's boundaries received an email on January explaining the process. They were provided a link to a Microsoft Form for voting. They were given a chance to send in suggestions for the name of the new school.

### Involvement Statistics:
