Presenter:

**John Heltunen, Director

SUGGESTED SCHOOL BOARD ACTION:

Accept lowest submitted bid from New Look Contracting for \$564,700 to complete the Tennis Court Reconstruction project at the Buffalo High School.

Also accept Alternate No. 1 for \$16,080 to complete the permanent windscreen for the facility.

DESCRIPTION:

Bids were opened on Thursday April 25th from 6 different contractors to complete the reconstruction of the existing tennis court facility at the High School. New Look Contracting submitted the low bid.

The district has worked with New Look Contracting in the recent past at the High School. One was the excavation and grading for the gymnastics addition and the second was for the same processes for the north parking lot reclamation. Also, the engineer has successfully completed additional tennis court projects with them in the past.

Enclosed is the letter of recommendation from the engineer at Inspec to accept the bid from New Look Contracting, along with the bid tabulation showing the bids submitted by the 6 contractors.

If you have any questions about this project, please feel free to call me at 682-8773.
