## GOAL 2: LEADERSHIP

FOSTER A CONNECTED, COLLABORATIVE, & STRATEGIC APPROACH TO THE  
CONTINUOUS IMPROVEMENT OF THE DISTRICT.

**DECEMBER 2024**

### VISION & STRATEGIC ACTION

#### CONNECTED & COLLABORATIVE APPROACH

- We've continued our monthly cadence of leadership team meetings with directors, assistant principals and weekly cadence of meetings with principals. Beginning in January we will be transitioning to weekly WIG sessions (Wildly Important Goal) meetings to create a weekly cadence of accountability for principals, assistant principals, and executive cabinet teams. Executive Directors are charged with hosting weekly WIG sessions with their teams as well.
- We've continued monthly DAC meetings and developed two calendar options that we'll share with staff on January 6 to vote on for recommendation at the January Board Meeting. Both options have an extended Christmas break to allow for mid-year move-in to the new junior high next school year.
- We're transitioning to quarterly meetings with LRFPC and revisiting how to create a representative group of members who will regularly attend and be engaged in our Long-Range Facilities Planning Processes.

#### STRATEGIC APPROACH

- Our Learner Portfolio has launched to ambassadors and will launch to all students and staff on January 6th and launch to parents on February 3.
- We're working on revising our Strategic Action Plan in alignment with the 4 Disciplines of Execution to narrow our annual focus and hold ourselves accountable for progress toward one main goal in the areas of Learning, Leadership, Culture, and Community each year. I'll engage with the Board in this work and approach in January.
