Re: Athletic Director Report November, 2014

Homedale Board of Trustees,

Two out of three fall sports are complete and Football is still alive into the second round of the state playoffs. Winter sports are here as girls' basketball got going November 2nd with boys' basketball and wrestling just around the corner.

Volleyball Update-

Volleyball ended the season as the number 5 team in the SRV. They lost their first round matchup at the district tournament to the eventual district champs, Weiser. Their second match was a close match all the way, but eventually losing to Fruitland. The varsity team battled to the very last point. The JV team lost to Emmett in the District Championship game and the Frosh/Soph team won their District Tournament.

We have an immense amount of talent in the freshman and sophomore class. Diana implemented club volleyball this past year, which is the first time a Homedale Volleyball coach has made that available in my seven years at Homedale. Hopefully these girls keep bettering themselves in the off season, by doing what all other successful programs have been doing for several years, which is playing club volleyball.

Football Update-

Football finished the regular season on a two game win streak which left the varsity at 7-1 and 4-1 in SRV play. With the win over Kimberly this past weekend the Varsity extended its win streak to 3 games and overall record to 8-1. JV finished the season with a record of 3-4, finishing on a two game winning streak.

The Varsity will be hosting a quarter final game in which they will play Parma. The game will be Friday, November 6th at 7:00pm in Homedale.

Cross Country Update-

State Cross Country was this past weekend. Nash and Lainey Johnson were the only two runners from Homedale to qualify for the state meet. Lainey came into the race ranked as the 44th best girl and finished 31st. The boys got to race in a rain storm so everyone's times were much slower. Nash came in ranked 83rd and finished 69th. Heidi had an excellent year once again getting kids to come out for Cross Country. Cross Country continues to be an excellent opportunity for those kids not participating in Football or Volleyball.

Winter Sports-

Girls Basketball- First Practice date is November 2nd.

Boys Basketball- First Practice date is November 13th.

Wrestling- First Practice date is November 16th.
