Hello Williams Elementary Families:

Our school year has reached the half way mark. This time of year is exciting as we begin to watch learning blossom. Conferences were held on February 6th and February 7th. Thank you for taking this opportunity to visit with your child's teacher, review progress, goals and challenges. Our teachers and staff members are committed to working together toward your student's academic goals, toward ensuring our curriculum is relevant, and to enabling all of our students to be successful in a positive and safe environment.

Our staff takes great pride in educating and caring for our students. School safety is always a top priority for Three Rivers School District. In light of recent events, this issue has come to the forefront of all our minds. Policies and practices are being reviewed and refined. Thank you for entrusting us with your children every day. Rest assured that our staff is dedicated to ensuring your child's safety. I am so thankful for the warm, caring community our school resides in, and the support the school gets from you all.

Please do not hesitate to contact me with concerns, questions or compliments. Working together anything is possible.

Sincerely

Renee Hults

Dear Williams Community,

The Facts of the Day are a routine part of our school days. They can be seen in every classroom and in the gym. Students are increasingly becoming more fluent in basic facts. Place this calendar in a prominent place. Students are excited to see who can correctly get the facts first. Please remember that the addition facts are especially good for all grades, while the multiplication facts are intended for grades 3-5. We appreciate all of your support!
