Re: 2013 Bond Quarterly Dashboard Report

I would like to request adding an agenda item to the November 6, 2017 Committee of the Whole meeting for Plante Moran CRESA to report out to the Board the Quarterly Dashboard Report for the 2013 bond projects (through September 30, 2017). This will be Plante Moran CRESA's general report for Quarter Three of 2017. Thank you.
