

***Collin County Community College District Board of Trustees***

2015-9-2-3

September 22, 2015

Resource: Julie Bradley  
Interim Vice President of Administrative Services/CFO  
Ed Leathers  
Director of Safety, Security, Facilities and Construction

**TITLE:** Approval of RLK Engineering to Provide Civic Engineering Services Related to the Public Safety Training Facility

**DISCUSSION:** Civil engineering and surveying services for the Public Safety Training Facility include the engineering site plan, civil engineering, construction documents, storm water detention design, erosion control plan, platting, and limited civil engineering construction administration. RLK Engineering is a local Collin County business that has provided excellent civil engineering work for the college for the last five plus years, including projects such as the Collin Higher Education Center, Central Park Campus Conference Center and Health Sciences Building, Courtyard Center renovations, Preston Ridge Campus J wing and Conference Center, and the Spring Creek Campus Library.

**DISTRICT PRESIDENT'S RECOMMENDATION:** The District President recommends approval of RLK Engineering to provide civil engineering services for the Public Safety Training Facility in the amount of \$94,400.00.

**MOTION:** Motion is made that the Board of Trustees of Collin County Community College District approves RLK Engineering to provide civil engineering services for the Public Safety Training Facility in the amount of \$94,400.00.
