

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** June 19, 2023

**AGENDA ITEM:** Consider Approval of Design for 2023 Bond - Lynn McKinney Elementary School Project

**PRESENTER:** Chris Campbell, Chief Facilities and Construction Officer

### **BACKGROUND INFORMATION:**

- Lynn McKinney Elementary School is one of the construction projects included in the District's 2023 Bond Program approved by Aledo ISD voters on May 6, 2023.
- The approved Architect for the 2023 Bond Elementary School is PBK Architects. The prototype design and construction for Lynn McKinney Elementary School is based on the 2019 Bond Annetta Elementary School # 6.
- PBK and district staff from various departments and campuses have conducted research and gathered information regarding the requirements for this prototype facility, as well as walking Annetta Elementary School multiple times to determine how to optimize the best utilization of the building.
- The design presentation being shared with you this evening is the culmination of these activities to date.
- Lee Osborne, with PBK, will discuss the design presentation with you and answer any questions.
- Please keep in mind schematic design is the first phase in the design process. Since this is a prototype facility, we are moving straight to final design approval for the Aledo ISD Lynn McKinney Elementary School project.

### **FISCAL INFORMATION:**

There is no fiscal impact with approval of this item. The financial impact will arise when the Board of Trustees ultimately approves a contract for the construction of this project.

### **ATTACHMENTS:**

Design Presentation for Lynn McKinney Elementary School

### **ADMINISTRATIVE RECOMMENDATION:**

The Administration recommends the Board of Trustees approve the design for the Aledo ISD Lynn McKinney Elementary project as presented.
