CONFIRMATION

TO: Board of Directors
FROM: April Olson, Director of Curriculum & Student Learning
DATE: February 25, 2026
SUBJECT: **Second Read of Policy JECA (with option to adopt) – Admission of Resident Students**

On May 14, 2025 the Board adopted revised policies IKF – Graduation Requirements and IKFB – Graduation Exercises to align with Senate Bill 992 (2023), replacing the “Alternative Certificate” with a “Certificate of Attendance”. In addition to this language modification there was additional credit requirements which subsequently have been added to these policies during adoption.

In this process, OSBA also recommends a review and revision of policy JECA – Admission of Resident Students. The suggested changes to this policy are primarily the replacement of ‘alternative certificate’ with certificate of attendance’.

The Administration recommends the Board of Directors adopt revised policy JECA – Admission of Resident Students
