BACKGROUND INFORMATION

In accordance with Board Policy [CW \(LOCAL\)](#), Argyle ISD opened the school naming nomination process from September through November 7, 2025. The district invited community members to submit name considerations for new elementary, middle, and high school campuses.

All submitted nominations were reviewed to ensure compliance with the criteria outlined in Board Policy CW (LOCAL), which include alignment with district values, significance to the Argyle community, and appropriateness for a public school setting.

The considerations brought forward in November met all criteria established in policy.

The Board is asked to consider naming new schools and can consider naming of other district facilities, such as gymnasiums and arenas.
