JES PTO Before and After School Workshops *Session Three Starts the Week of February 10th*

Registration Opens at 8pm on Thursday 1/23 and will close on Sunday 1/26 at 8pm

The JES PTO is excited to share the third round of workshops for the 2024 - 2025 school year! The fee for each workshop goes towards compensating the instructors, with a 1% going back to support Jeffrey School.

PLEASE READ BELOW FOR DETAILED INSTRUCTIONS ON HOW TO REGISTER YOUR STUDENT(S):

- Sign-ups and payment will only be accepted via the Sign Up Genius link on the PTO website (www.jespto.org/workshops).
- If financial assistance is requested, please email Principal Becky Frost. All inquiries are confidential. All financial assistance requests must be made by the end of the school day on Thursday 1/26.
- If a workshop fills up that your student would like to enroll in and you would like to put their name on the waitlist, please e-mail Contact@JESPTO.org. Please do not email or ask the instructor directly.
- Please note the dates in Sign Up Genius for the different workshops, as some weeks are skipped/delay changed due to a school holiday. If a session is cancelled due to a teacher absence or other reason, a makeup session will be scheduled.
- Morning workshops run from 8 – 8:40. Please walk your student directly to the workshop room in the morning and sign them in. The workshop instructor will ensure that your student goes to their classroom when the school day begins.
- Afternoon workshops run from 3:45 – 4:30. Your student's teacher will have a list of participating students. Please pick your students up in the front lobby at 4:30 to sign them out.
- The Sign-Up Genius Link will be on the PTO Website: www.jespto.org/workshops. Details on individual workshops will be posted on the JES PTO website and will be in the Sign Up Genius Link.

Clubs

After-school clubs provide a diverse range of opportunities for students to explore their interests and engage with the community. From art and culture to science and service, there's something for everyone.

Students can participate in clubs focused on debate, robotics, and environmental initiatives, or contribute to community service efforts. Whether you want to enhance your leadership skills, dive into creative pursuits, or connect with peers who share your passions, our clubs foster a welcoming environment for all.

Section 1 of Public Act 24-93 requires the Department of Education to conduct a comprehensive audit of the assessments that are administered to students by public school districts. The goals of this audit are to eliminate redundant assessments, discourage test preparation, reduce testing time, and maximize assessments for classroom teachers.
