Dear Annette Klang and School Board,

After careful consideration, I am writing to share that I will be retiring from my teaching position at Crosslake Community School, effective at the end of the contract year 2025-2026.

Teaching at Crosslake Community School for the past 15 years has been an amazing and fulfilling chapter in my life. The school and community has been like a second family to me, with the never ending support and dedication from colleagues and parents. I am proud of the work we have done together and will always cherish the time I spent working at Crosslake Community School.

Thank you for allowing me to share my passion for teaching kindergarten for so many years and have a job that I truly love. I will miss everyone here at Crosslake Community School. I look forward to cheering on the school from the sidelines and remain a dedicated supporter of our community.

With warm appreciation,
