News from Mr. Regal

Hello Evergreen Families,

We have just completed our first 9 weeks of school on October 31st and progress reports will be given to you at your parent/teacher/student conference on **November 6th, 7th, or 8th**, depending on your scheduled time with your teacher. If you are not able to meet with your child's teacher, the progress reports will be sent home on November 12th, with your child. ***Conferences are a time for teachers and parents to discuss your child academically, behaviorally, and socially. So, please try to make these conferences and if you are unable please communicate with your child's teacher about other options if necessary.***

The teachers and assistants have been continuing to do what is best for all kids in the classroom. Please remember this is a team effort and you can support your child's education by checking backpacks nightly for homework, notes from teachers, school flyers, etc. This will help keep the communication between home and school more fluid. Thanks for your continued support in the education of your child and/or children.
