Good morning,  
I don't know why the end of quarter 1 is on a Wednesday. It's that way on this year's calendar too - I moved it to Friday in the CEMS. Would be nice to get that right and have it on a Friday for next year.  
Thanks,

Good morning,

Attached is a draft calendar for the 2022-2023 school year. The attached draft calendar mirrors our current school year calendar, except that the dates have been updated.

The CCSD Board will be reviewing the CCSD 2022-2023 School Calendar during the October 27, 2021 Board meeting as a first reading.

Please reply to this email with recommended adjustments to the Draft 2022-2023 CCSD School Calendar. I will save all recommended adjustments and present to the CCSD Board during their October 27 Board meeting for their review and consideration.

Thanks in advance for your help with this matter.
