Division: Learning & Teaching

Subject: Community Library Input Panel (CLIP) Membership 2026-27

Background Information:

- EFB (Local) establishes the Community Library Input Panel (CLIP) to assist the district in providing students with access to high-quality, age-appropriate, and diverse library materials that enrich learning, foster literacy, and reflect community values.
- EFB (Local) requires the Board to annually approve membership of the panel.

Administrative Consideration:

- Applications were sent to campuses via newsletters.
- LISD Communications Department advertised the application process through public announcements (RappUp and Rapport).
- Applications were reviewed and members were selected according to EFB(local) recommendations with respect to equal representation to all feeder patterns.
- Council membership includes community members throughout the district.
- District members include representatives from Campus Leadership, Learning and Teaching, classroom teachers, and librarians.

Recommendations:

- The following is a list of members selected to serve on the panel.
- Approval of members by the Board of Trustees is established in EFB (Local).
