

Lunch and Learn

April 12, 2008
Mahtomedi School Board Presentation

What is Lunch and Learn?

1. Student academic support
2. Reduce student stress
3. Time to make-up work, retakes, and individual learning.
4. College & career readiness
5. Opportunities for students to connect over common interests.

How does MHS implement Lunch and Learn?

- Research driven creation of program framework
- Build schedule based on staff and student input
 - General supervision schedule
 - Match teacher availability with student needs (clubs, academic sessions)
 - Balance building usage each block
- Create and maintain platform for schedule and communication
 - School website
 - Advisory announcements
 - Door signs and bulletin boards
- Execution of Lunch and Learn time
 - Supervision of spaces both blocks
 - Troubleshoot areas of concern
