The following email is forwarded upon the request of Dale Latham.

Region 11 Superintendents:

Region 11 would like to invite you and your school board to attend ***Evaluating and Improving Student Outcomes (EISO)*** school board training. The 3-hour EISO training is required to be completed by every board member by **September 1, 2018**, and again every two years thereafter, as the result of SB-1566 (85th TX. Legislature) and the TEC §11.1515. Please note that this session may count as Team of Eight *and* the required SB-1566 credit if the entire board and Superintendent complete this training together. Furthermore, board-candidates may complete this training, prior to their election.

We are currently working with districts to schedule and host sessions as a County-clustered training, throughout Region 11. The April through August-dates are being determined, and information will be sent to you about these dates and locations. With multiple opportunities to receive this required training, all Region 11 board members should have a chance to complete this training by the September 1, 2018-deadline.

Additionally, Region 11 will host monthly sessions at ESC Region 11 on **April 11, May 9, June 13, July 11, and August 8.**

If you have any questions, please do not hesitate to contact Dale Latham, dlatham@esc11.net, (817) 740-3692.
