RE: 800 MHz Siren Solution **Phase 2**

Attached please find the Invoice from Tele-Rad Inc. This is part of the 7500 console & fire service 800MHz integration project previously approved.

This is the needed upgrade to the County siren warning system so it can communicate with the new 7500 consoles.

As your Emergency Services Coordinator, It is my recommendation to the Finance Committee to approve the \$3,600.00 expenditure to the Tele-Rad Inc.

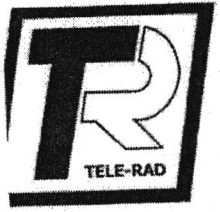

Payment is to be made from 2021 budget, account 211-325-970.003

Thank you for your consideration,

Mark Hall

RE: 800 MHz Siren Solution

Attached please find the Quotation from Tele-Rad Inc. This is part of the 7500 console & fire service 800MHz integration project previously approved.

This is the needed upgrade to the County siren warning system so it can communicate with the new 7500 consoles.

As your Emergency Services Coordinator, I am requesting permission to sign the quote, for \$17,036.50 this will allow Tele-Red to order the equipment.

When invoiced payment will be made from 2020 budget, account 211-325-970.000.

Thank you for your consideration,

Mark Hall
