

DEPT. OF FACILITIES
CONSTRUCTION REPORT
JUNE 2018

Submitted by: Reid Reagan

HIGH SCHOOL, MIDDLE SCHOOL and NAPI:

Pilot project based on energy bills, Charles Newcomb of MCloud Corp inventorying all lights in schools, possibly enter partnership to replace with LEDs. Replacing bulbs with 2/3 more efficient LEDs and switches that operate on an on/off schedule equals savings of 10-15%.

KWB:

Steve of Jonas Sprinklers to repair control box and locate sprinkler system so we can install the new playground equipment without damaging the sprinkler system.

MIDDLE SCHOOL:

Northwestern Energy to relocate and update existing valve for the expansion of school.
